PROPOSAL FORM

SESSION, PRESENTATION, WORKSHOP or TOUR

Missouri Preservations is soliciting program proposals and presenters for the 2018 Conference. The mission of the conference is to offer opportunities that will develop and enhance the knowledge, experience and skills necessary in the preservation of architectural and historic landmarks which embody Missouri's unique heritage and sense of place.

Should you have an idea but not want to organize an entire session, please fill out and submit the form. Missouri Preservation may take your idea and identify appropriate speakers for that topic or combine your presentation with others. An overview of last year's conference is available at: conference.red40net.com

Please email this submission with speaker biographies as attachments to: missouripreservation@yahoo.com or mail it to: **Missouri Preservation, Attn: Call for Sessions, 319 N. 4th St, Room 850. St. Louis, MO 63102**

Please note that Missouri Preservation **reserves the right to select and/or combine sessions** where they are duplicative or will allow for a presentation that is in keeping with the conference theme and goals. **All SUBMISSIONS DUE BY JANUARY 31, 2018.**

Lara Wolf is president of EHCP Manager, LLC the manager of all Enhanced Historic Credit Partner Funds which invest in historic properties. Since its inception in 2004, the Funds have invested in over 175 historic properties in Missouri, Kansas, Oklahoma, Iowa, and Minnesota which in total were awarded state historic tax credits in excess of \$300,000,000. As President, Lara is responsible for all investments including partnership structure and closing, asset management, financial reporting and investment tracking. Prior to her work with EHCP Manager, Lara worked for Patrick Development Company, a real estate development and management company, and remains Vice President. At Patrick Development, Lara was responsible for LIHTC and HTC compliance, reporting and construction administration from the due diligence stage through stabilization. Through these combined work experiences, Lara is able to understand and analyze the investment in historic properties from both the developer's and investor's point of view. Lara graduated summa cum laude from the University of Massachusetts, Boston with a Bachelor of Science degree in Pure Mathematics and Classical Languages and is currently pursuing her CPA. Her certifications include HUD Housing Compliance Manager, NAHB Housing Credit Certified Professional, and National Development Council's Real Estate Finance Professional.
